Welcome

We are excited to invite you to the 12th annual Strickland Cattle Bull and Female Sale on Saturday, November 18th, 2023, at the Strickland Cattle Sale Facility. We appreciate your interest in the upcoming sale. This year's offering includes 12 coming two year olds, 4 of which are Red, Purebred Simmentals. Bulls have been developed on a forage-based diet and limit-fed a ration consisting of soy hull pellets, corn gluten pellets and cracked corn, all which made up only 9% of the total ration. They have also been fed free-choice bermuda and peanut hay starting in September. All of the bull sale offerings have either 50k or 100k genomic-enhanced EPD's.

An added feature in this year's sale is a select offering of Angus and SimAngus females: Fall pairs, 12-14-month-old yearlings and a few breds to calve in early spring.

If you cannot attend on sale day, bidding is available via the internet at LiveAuctions.TV, telephone or with an absentee bid. We are confident that you will be able to find a bull that meets your selection criteria and price range.

Thank you for your interest in our sale offering. We hope to see you on sale day.

It is with excitement that I get to write the Auctioneer / Sale Marketing manager's letter for Strickland Cattle 12th Annual Bull and Female Sale. I would like to welcome everyone to Glennville, Georgia for this event.

Jes Strickland and family, owners of Strickland Cattle, along with guest consignors offer an excellent selection of Angus, SimAngus & Simmental cattle. Bulls and females with the genetics proven to be profitable, developed in Southeast Georgia on a forage based diet and adapted to the Southern environment.

As you look through this sale book you will see these bulls are ready to go to work for you. All bulls will have a current semen test, breeding soundness exam (BSE) and GE-EPD's providing you the tools to buy with confidence. Don't overlook this select offering of Angus, SimAngus & Simmental females. Fall calving pairs plus bred and open heifers that you would be proud to have as an addition to your herd. Females with the genetics you will select to keep in your herd for years to come.

I encourage you to contact Jes Strickland, Jessie Driggers, Landon Boyett, Jason Cope or I to learn more about Strickland Cattle Sale offering. I look forward to seeing you in Glennville, Georgia at the Strickland Cattle 12th Annual Sale.

Please contact me if you have any questions or if I can be of any assistance!

Thank You!
 Luke Mobley
